## TIME FOR A CHANGE?

We stock a large range of  
**Mowers, Lawn Tractors  
& Hand Held Machinery**

## E10 FUEL ADVICE

SAVE ON FUTURE REPAIR COSTS  
BY UNDERSTANDING YOUR FUEL

With up to twice as much ethanol in it compared to E5, E10 fuel will degrade quicker and can reach a point where it will cause starting problems within just a few weeks of storage.

We highly recommend using **Aspen Fuel** or a **Fuel Stabiliser** which can be added to the fuel when you buy it.

**Ask one of our team for more information.**

**END OF SEASON  
SERVICING**

**BEAT THE RUSH**  
AVOID LONG DELAYS IN SPRING  
& STORE YOUR TOOLS RIGHT  
THIS WINTER

**LINCOLN'S GARDEN  
MACHINERY EXPERTS**

## Servicing Pedestrian Lawnmowers

- ★ Engine Service £59
- ★ Push Up To 22" £89
- ★ Self Propelled Up To 18" £99
- ★ Self Propelled 19 - 22" £117
- ★ Cylinder (No Sharpen) £99

For larger mowers see 'Larger Pedestrian Machines'

## Hand Held Machinery

- ★ Brushcutter / Trimmer / Chainsaw £59  
Hedgecutter / Blower / Disc Cutter

## Ride On (Rotary) Lawnmowers

- ★ Engine Service £99
- ★ Full Service (Domestic) £216
- ★ Full Service (Professional) £299

## Tillers / Cultivators / Rotavators

- ★ Mini (Up to 12") £59
- ★ Medium (12" - 25") £79

For larger rotavators see 'Larger Pedestrian Machines'

## Larger Pedestrian Machines

- ★ E.g. 23"+ Mowers, Rotavators, Sweepers £135

## Electric Machinery

- ★ Available For All Types Of Garden Machinery  
Labour / Hour (Split Into 15 Min Blocks) £54/hr

## What's Included

### Pedestrian Lawnmowers

#### Engine Service:

- New air filters & spark plugs fitted
- Diaphragms replaced where appropriate
- Full oil change
- Drain & flush out fuel system with cleaning agent
- Carburettor cleaned in ultrasonic cleaning tank

#### Full Service Also Includes:

- Blade sharpened & balanced
- Check all belts, bearings & pulleys, adjusted where necessary
- Inspect, adjust & lubricate control cables
- Lubricate machine where required
- Machine brush cleaned (degreasing hot pressure wash available separately)
- Deck protection applied
- Full check over machine for correct operation

### Hand Held Machinery

- Full engine service including oil change, new filters & spark plug
- Oil change (4-stroke engines)
- Check carburettor & fuel system
- Diaphragms replaced where appropriate
- Drain & flush out fuel system with cleaning agent
- Carburettor ultrasonically cleaned
- Engine tune up
- Lubricated where appropriate
- Fully function tested
- Chainsaw service also includes oiling systems clean, chain fitting & bar dressing
- Blade / chain sharpening is not included. Hedge cutter blade sharpen is half price if done at the time of servicing

All petrol machines are handed over with fuel and oil in, so they are ready to use.

Original manufacturers parts are used where ever possible.

## Ride On (Rotary) Lawnmowers

#### Engine Service:

- New air filters & spark plugs fitted
- Diaphragms replaced where appropriate
- Full oil change
